March 2026

“Come Meet the Boys with the Orange Buttons”

**NARRAGANSETT SALT WATER FISHING CLUB**

- **March 21<sup>th</sup>- Arturo Joe's 12:30pm. Awards for 2025 fishing season to be presented (see below for calendar of events)**
- **The Club Opening is April 4, 2026 at 9:00am! Come on out and help open the club for the 2026 season.**

Dues were payable January 1st (first) of this year. A \$50 late fee is due on all payments post marked after February 28, 2026. Dues notices were sent out previously. Membership is now \$350.00/year. Membership initiation fee for 2026 is now \$225.00. Associates are still \$25.00 and Junior members (under 18yrs old, full time college students) are \$5.00. Non-payment of membership dues post marked after March will result dropping from the rolls as stated in the By-Laws, Section 1 of Article IX – Dues and Assessments.

As we go into the 2026 season we want to ensure we can maximize the use of the Club by all members. In that effort we will be implementing or considering the following changes:

1. To ensure all members have room in the bait freezer, members shall be limited to a 1 gallon or equivalent (coffee can). Bait with no name is subject to immediate disposal by any member.
2. We remind members to review and complete an item on the “Chore Board”. There is no cleaning service at the club. It is the expectation that members will clean-up behind themselves. Members that stay overnight are required to clean the room and sweep the floor.
3. Grill propane tanks: On many occasions the grill has been left on and wasted propane gas resulting in empty tanks for other members. Once done cooking, clean grill and turn off gas. To minimize cases of no propane, the Club is setting up an account for propane gas at a local company. Members that will be on the property for multiple days shall be able to bring an empty NSWFC Club tank for fill up. Once set up, we encourage members to ensure tanks are full. The Club will be billed by the propane business. Due to the switch to a full non-profit, the club no longer

can pay member reimbursements for expenses they incur on behalf of the Club.

Keep sending in insurance for boats and campers. Please ensure your trailer is insured when not attached to your vehicle. A list of insured boats/trailers/camper will be posted so members know whose boat/trailer/camper is on the property.

As always, the Club encourages and accepts financial donation to help offset cost of some larger projects that will be needed for club upkeep. in attendance with many others for the event.

PLEASE MONITOR THE **WEB SITE** FOR UP-TO-DATE INFORMATION.

*Tight Lines!*
